

COLD-DRY

S00844-P171

Winter glove in 15G polyester, knit cuff, fully coated, double latex coating on the palm, with sandy effect second layer to allow excellent grip even in wet environments. Fleece interior in 10G acrylic/polyester terry. Features: Very comfortable and flexible yarn. Strengths: comfort, flexibility, grip, protection from contact cold. Areas of application: handling and assembly of objects, even sharp ones (e.g. sheet metal) at low temperatures, in dry and wet environments and in the presence of oils/hydrocarbons. Long-lasting freshness thanks to the Sanitized® sanitising functions. Minimum saleable unit: 6 pairs (1/2 dozen). The edge will have a different colour depending on the size.
